

Our Commitment to Privacy

Your privacy is critically important to us. Barcode QR Maker is designed to be used without the need for collecting any personal information from its users. This policy outlines our practices regarding information and the choices you can make about the way your information is not collected and used by our Service.

1. No Personal Information Collection

Our Service does not collect, store, or share any personal information, including names, email addresses, or contact information. Users can access and use the Service's features without the need to provide any personal data.

2. No Log Data Collection

We do not collect Log Data, errors, or sessions information. Barcode QR Maker is designed to ensure user privacy and data protection by not collecting any data transmitted from your device.

3. No Cookies

Our Service does not use cookies or any form of tracking mechanisms. Users can utilize the app without concerns about tracking or data profiling.

4. No Third-Party Links

Barcode QR Maker does not contain links to other websites. Our Service stands alone with its features and does not direct users to any third-party web services or sites.

5. Security

While our Service does not collect personal information, we are committed to ensuring the security and protection of the app and its features, ensuring a safe user experience.

6. Children's Privacy

Since our Service does not collect any personal information, it is safe for all users, including children under the age of 13.

7. Changes to This Privacy Policy

We reserve the right to update or change our Privacy Policy at any time. We will inform you of any changes by revising the date at the top of this policy. Your continued use of the Service after any modifications to the Privacy Policy will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.
